You shall not (i) modify, translate, reverse engineer, decompile, disassemble, create derivative works of, permit or otherwise attempt to derive any source code of the System; (ii) alter or copy, or direct a third party to alter or copy, any part of the System; or (iii) sublicense, distribute, sell, assign, transfer, lease, rent, disclose, or provide access to the System to any third party.

1.2 End User Compliance. Your access to, and use of, the Website and the System are expressly subject to your compliance with the terms of (i) this Agreement, and (ii) any written guidelines or agreements for using the Website or System posted on the Website as amended from time to time (including the Website’s privacy policy, and all other “click-through” agreements, if any, collectively the “Operating Procedures”). In the event of any inconsistency between this Agreement and the Operating Procedures, this Agreement shall prevail. PFT shall have the right, at any time, to amend the provisions of the Operating Procedures by posting on the Website. Upon receiving written notification (including by PFT posting on the Website) of any restrictions on the System imposed by PFT or any embedded third-party software vendors, you agree to comply with any such restrictions.

2 USE OF THE SYSTEM

2.1 Your Access. You will be instructed by your PFI on how to access the System and will be assigned a separate user name and Password. You agree to keep confidential any Passwords used to access the Website and System. You acknowledge that PFT and the PFI may accept as valid any information transmitted with a valid user name and Password and shall not have any duty to verify the information. PFT will not be responsible to determine whether any information transmitted was authorized by you or a PFI; or whether there has been an alteration or corruption of the information transmitted to, or from, the System. In the context of the preceding sentences, “information” shall include all bids, offers, orders, commands and any other data or information submitted to the System. You agree to promptly notify PFT and your PFI as soon as you become aware of any unauthorized use or misuse of the System or the Passwords.

2.2 Suspension or Limitation. Notwithstanding any other provision of this Agreement, you acknowledge that PFT or your PFI shall have the right to restrict your access to or to impose limits or suspend your use of or access to the System or Website.

2.3 Conditions of Use. When using the System, you shall: (i) provide, at your sole cost and expense, all services, hardware, software, and other technology (including Internet access service) necessary to access the System (“Access Systems”) and you shall be solely responsible for installing, maintaining, securing and supporting all such technology; (ii) promptly report to PFT any errors or irregularities in the performance of the System and, if the System fails to function in accordance with corresponding specifications, you shall provide: (a) copies of any and all programs, reports, data files, and other materials reasonably requested by PFT; (b) support sufficient for PFT to duplicate such failure; and (c) sufficient test time within which PFT shall use its commercially reasonable efforts to correct such failure; (iii) perform your obligations hereunder and ensure that your use of the System shall comply with any and all applicable laws, rules, and regulations; and (iv) assume full responsibility for all risk associated with your use of the System, including, but not limited to, risk associated with your investment decisions as well as any financial obligations arising with respect to third parties resulting from your use of the System.

2.4 Availability. While PFT’ objective is to make the System available on a 24x7 basis (except for reasonable scheduled downtime during non-trading hours), PFT shall not be responsible for any damages or costs incurred by you for any unavailability or downtime of the System. PFT may make the System, or portions thereof, unavailable from time to time for any reason including, without limitation, routine maintenance.

2.5 Access to Data. If, in providing the System, PFT or any of its subcontractors or other third-party service providers (collectively “PFT Providers”) requires access to any of your data, you hereby grant to such PFT Providers a limited, non-exclusive, world-wide, royalty-free license to access, use, display, copy, store, translate, edit, and distribute any or all of your data across multiple computer systems, solely for the purposes of operating, maintaining, and delivering the System and providing support services to you.

2.6 Risk of Transactions. PFT is not responsible for transmission errors, corruption, or compromise of data carried over local or interchange telecommunications carriers. You agree that (i) PFT shall not directly or indirectly, be a principal to any transaction or be responsible for, or otherwise guarantee, the performance of any transaction entered via the System, (ii) no PFT Party shall have any liability to you or any other party for any transaction executed via the System and you shall not proceed against any PFT Party to collect or recover any amounts owed to you or to enforce any of your rights in connection with, or as a result of, such transaction; (iii) no service provided by PFT in connection with the System, or otherwise shall give rise to any fiduciary or equitable duties on the part of a PFT Party; (iv) the submitting or posting of any information to or on the System by PFT, or any other party shall not be deemed to be a recommendation by any such person that you should enter into any particular transaction or that any particular transaction is suitable or appropriate for you.

2.7 Specifications for Access. PFT shall provide specifications, which may be updated, modified or amended from time to time (“Specifications”) for Access Systems that PFT requires be used to access and use the System. PFT shall not be responsible for the performance of the System if your Access Systems are not in conformance with the Specifications.

2.8 Control of System. You acknowledge that PFT shall have sole discretion and control over, and the right to modify at any time, the System’s functionality, configuration, appearance and content, including without limitation: (i) the parameters and protocols by which orders are placed, routed, matched, or otherwise processed by the System; and (ii) the availability of the System at any particular places, times or locations.

2.9 Auto-Liquidation. If your PFI has enabled auto-liquidation for your accounts, you acknowledge and agree that trading will be subject to auto-liquidation as described in your agreement with your PFI. You acknowledge and agree that PFT shall not be liable for any trading losses or any similar claim relating to auto-liquidation. You further acknowledge and agree that auto-liquidation does not offer price certainty for existing positions, nor does it create a “floor” or “limit” on potential trading losses. When possible, PFT recommends that you submit orders to exit open positions. You acknowledge and agree that you will not rely upon auto-liquidation to exit positions.

3 PROPRIETARY RIGHTS

3.1 PFT Property. “PFT Property” includes, but is not limited to, the System, all materials associated therewith, and any other content, products, documentation, software, materials, or other technology related to the System including, but not limited to, any and all modifications, enhancements, updates, and configurations, whether written, printed, electronic, or in source code or any other format, and any patent, copyright, trade secret, trademark, service mark, or other intellectual property rights in any of the foregoing.

3.2 Ownership. PFT retains all right, title, and interest in and to the PFT Property. PFT grants only those rights and licenses expressly provided for herein and does not thereby transfer any title or ownership interest to the PFT Property or any modifications, enhancements, or derivative works thereof. You shall not interfere with or otherwise challenge PFT’ rights in the PFT Property or remove or alter, or cause or allow to be removed or altered, any notice, symbol, or legend or any trademark, copyright notice, or other proprietary rights appearing in or on any of the PFT Property. You hereby assign to PFT all rights it may have in any and all suggestions, concepts, improvements, or other enhancements communicated by you to PFT with respect to the System.

4 CONFIDENTIALITY

4.1 Each party shall at all times, both during the term hereof and for a period of at least three (3) years after termination, keep in confidence all Confidential Information (as defined below) received by one party from the other using a standard of care such party uses with its own information of this nature, but in no event less than reasonable care. The receiving party shall not use any Confidential Information other than in the course of its permitted activities hereunder. If a party is legally compelled to disclose any of the other party’s Confidential Information, then, prior to such disclosure, the receiving party will (i) assert the privileged and confidential nature of the Confidential Information and (ii) cooperate fully with the disclosing party in protecting against any such disclosure and/or obtaining a protective order narrowing the scope of such disclosure and/or use of the Confidential Information. In the event such protection is not obtained, the receiving party shall disclose the Confidential Information only to the extent necessary to comply with the applicable legal requirements.

4.2 “Confidential Information” shall mean the terms of this Agreement, computer software systems and programs, data, operation techniques and methodology, ideas, concepts and documents and business plans, marketing plans, affiliated parties, potential clients, client and supplier lists, trading strategies, pricing information, financial data and all information a party discloses to the other during the course of this Agreement which (i) has been characterized in writing as confidential at the time of its disclosure, (ii) has been orally characterized as confidential at the time of disclosure, or (iii) ought reasonably be considered by the receiving party to be confidential given the circumstances of the disclosure, except for information which the receiving party can demonstrate: (a) is previously rightfully known to the receiving party without restriction on disclosure; (b) is or becomes, from no act or failure to act on the part of the receiving party, generally known in the relevant industry or public domain; (c) is disclosed to the receiving party by a third party as a matter of right and without restriction on disclosure; or (d) is independently developed by the receiving party without access to the Confidential Information.

4.3 Notwithstanding the above, you agree to maintain the confidentiality of all “trade secrets” of PFT forever, unless written consent otherwise is received by you. “Trade Secret” information covered by this restriction shall include, but shall not be limited to, any and all information related to the System and documentation, the fact that you have entered into this Agreement with PFT, and the existence of the System. All terms and conditions with respect to Confidential Information shall pertain to “trade secrets” except that the obligation of non-disclosure shall be perpetual with respect to “trade secrets.”

5 OWNERSHIP AND USE OF DATA

5.1 The parties acknowledge and agree that, as between you and PFT, all information and data collected, processed or generated as a result of your use of the System, including all personally identifiable information related to an individual (collectively, “User Data”), shall be owned by you. PFT shall treat all User Data as your Confidential Information. PFT shall be entitled to maintain back-up databases of User Data, but shall only use such User Data as necessary to fulfill its obligations under this Agreement, the Privacy Policy or as set forth in Exhibit A. Upon written request by you and payment of a nominal fee to cover PFT’s administrative costs, PFT will provide you a copy of your raw User Data as it exists on PFT’s databases on a compact disk or other mutually agreed to media format. PFT makes no representation or covenant respecting your PFI’s access to or use of User Data. Such access and use may be governed by your agreement(s) with your PFI.

6 WARRANTY; DISCLAIMERS

6.1 You. If you are a natural person, you represent and warrant that you are at least 18 years of age and competent to enter into this Agreement. If you are not a natural person, you represent and warrant that you are duly organized and competent to do business under the applicable laws of the relevant jurisdiction, and you (and each person using the System on your behalf) is duly authorized to enter into this Agreement and take all actions contemplated hereby.

6.2 PFT. PFT warrants that the System shall perform in all material respects in accordance with the then-current documentation provided by PFT. PFT’s sole responsibility, and your sole remedy, under this warranty with respect to any material defects in the System shall be PFT’s use of commercially reasonable efforts to correct the defect within a reasonable period of time. PFT shall have no responsibility for, and this warranty shall be voided in the event of: (i) errors or defects caused by you or your PFI’s neglect, misuse, or damage to the System; (ii) use of the System with any technology or data not in accordance with the PFT’s specifications; (iii) use of data input forms not provided by or approved by PFT; or (iv) any loss of data or use of the System as a result of any breach of security of the technology used by you or your PFI in connection with the System. EXCEPT AS EXPRESSLY SET FORTH IN THIS AGREEMENT, THE SYSTEM (INCLUDING THE WEBSITE) AND ANY CONTENT PROVIDED THEREIN IS PROVIDED ON AN “AS IS” BASIS, WITHOUT WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, AND NONINFRINGEMENT. PFT DOES NOT WARRANT THAT: (A) THE SYSTEM SHALL SATISFY YOUR REQUIREMENTS; (B) IS WITHOUT DEFECT OR ERROR; OR (C) SHALL OPERATE IN AN UNINTERRUPTED OR ERROR-FREE MANNER. PFT does not and cannot control the flow of data to or from PFT’s network, its service provider’s network, or other portions of the Internet.

Accordingly, PFT cannot guarantee that your connection to the Internet will not be impaired or disrupted, and PFT hereby disclaims any and all liability resulting from or related to such events. Without limiting the generality of the foregoing, PFT makes no warranty that the transactions communicated via the System will be executed or completed or that information posted on the System will be timely or accurate.

7 DATAFEEDS

7.1 Datafeeds. In conjunction with the System, PFT may provide access to certain third party datafeeds (each, including the data and content in same, a “Datafeed”). Except as expressly set forth herein, the terms and conditions governing any such Datafeeds shall be as required by the applicable third party provider’s (including their affiliates or their licensors, as applicable) (each a “Third Party Data Provider”) data policies and agreements, as may be updated from time to time by the applicable Third Party Data Provider (the “Data Policies”) (for example, certain of Chicago Mercantile Exchange Inc.’s data policies are described on www.cmegroup.com). If there is a conflict between a provision of this Agreement and any provision of the Data Policies, then solely with respect to the Datafeed subject to such Data Policy, the applicable Data Policy will control. With regard to the Datafeeds:

7.1.1 Editorial Content. Each Third Party Data Provider has complete editorial freedom with regard to the form and content of its respective Datafeed and may alter, add to or delete the same from time to time. PFT will use commercially reasonable efforts to pass through any advance notice of such changes to you.

7.1.2 Obligations Regarding Datafeeds. You shall comply with the applicable rights and restrictions pertaining to each Datafeed and shall be fully responsible and liable for your acts with respect to, and use of, such Datafeed.

7.1.3 Ownership. The third party Datafeed provider, their affiliates or any of their licensors, as applicable (each a “Third Party Data Provider” and collectively, the “Third Party Data Providers”), shall retain all right, title and interest in and to the Datafeeds, and no proprietary rights shall be transferred to you regarding same. You agree that misappropriation or misuse of a Datafeed shall cause serious damage to the applicable Third Party Data Provider, and in such event money damages may not constitute sufficient compensation to the Third Party Data Provider; consequently, you agree that in the event of any misappropriation or misuse, the applicable Third Party Data Provider shall have the right to obtain injunctive relief in addition to any other legal or financial remedies to which such Third Party Data Provider may be entitled.

7.1.4 Legal Compliance. You shall (i) not use or permit anyone to use the Datafeed or any information or software provided through the Datafeed for any unauthorized or unlawful purpose; and (ii) shall comply with all applicable regulations, conditions or restrictions laid down from time to time by any statute, court order, telecommunications provider and/or regulatory authority in connection with access to, use, storage and transmission of the Datafeed or any information or software provided therein.

7.1.5 No Reuse or Redistribution. You shall not, and shall not authorize or permit anyone else to furnish any information or software provided via a Datafeed (including any derivative works based on or using such information or software) to any person or firm for reuse, redistribution or retransmission or any kind without the prior written approval of appropriate Third Party Data Provider. You may not, and shall not permit any third party to, transfer, sell, resell, lease, rent, sublicense, adapt, modify or store for subsequent use the Datafeeds for any such purpose, in whole or in part, in any form or manner or by any means whatsoever, without the applicable Third Party Data Provider’s prior written approval. In addition, you shall not use any Datafeed separately from the System.

7.1.6 Audit. PFT or a Third Party Data Provider may, on reasonable advance written notice, inspect all equipment and records relating to the use, distribution, and control of the Datafeed and all information or software provided via the Datafeed, in order to verify compliance with your obligations under this Agreement. Audits may be carried out without advance notice if PFT or a Third Party Data Provider has reason to suspect material breach of this Agreement by you. Visits to your location(s) may take place within normal business hours during the term of this Agreement and for a period of two (2) years thereafter. PFT and the Third Party Data Provider shall treat all information obtained in the audit confidentially and use it only for the purpose of verifying compliance with this Agreement.

7.1.7 **DISCLAIMER FOR DATAFEEDS.** NOTWITHSTANDING ANYTHING IN THIS AGREEMENT TO THE CONTRARY, PFT AND THE THIRD PARTY DATA PROVIDERS PROVIDE THE DATAFEEDS “AS IS”, WITHOUT ANY EXPRESS OR IMPLIED WARRANTIES OF ANY KIND AND YOUR USE OF THE DATAFEEDS IS AT YOUR OWN RISK. WITHOUT LIMITING THE FOREGOING, PFT AND THE THIRD PARTY DATA PROVIDERS DO NOT WARRANT THE ACCURACY, TIMELINESS, COMPLETENESS, ADEQUACY, TITLE, NON INFRINGEMENT, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OF THE DATAFEEDS. PFT AND THE THIRD PARTY DATA PROVIDERS (EITHER INDIVIDUALLY OR COLLECTIVELY) SHALL NOT BE LIABLE TO YOU OR TO ANY THIRD PARTY FOR ANY DAMAGES SUFFERED OR INCURRED WITH RESPECT TO ANY ACTUAL OR ALLEGED INACCURACY, UNTIMELINESS, INCOMPLETENESS, INADEQUACY, LACK OF TITLE, INFRINGEMENT, UNFITNESS, UNMERCHANTABILITY OR UNAVAILABILITY OF THE DATAFEEDS HOWEVER THEY MAY ARISE. YOU ACCEPT FULL RESPONSIBILITY FOR YOUR USE AND THE USEFULNESS OF THE INFORMATION AND SOFTWARE INCORPORATED INTO THE DATAFEEDS.

7.1.8 **LIMITATION OF LIABILITY FOR DATAFEEDS.** IN NO EVENT SHALL PFT OR ANY THIRD PARTY DATA PROVIDER BE LIABLE FOR ANY INDIRECT, SPECIAL, INCIDENTAL, PUNITIVE OR CONSEQUENTIAL DAMAGES, INCLUDING BUT NOT LIMITED TO, LOSS OF PROFITS, LOST TIME OR GOODWILL, EVEN IF THEY HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, WHETHER IN CONTRACT, TORT (INCLUDING NEGLIGENCE), STRICT LIABILITY OR OTHERWISE. IN NO EVENT SHALL THE MAXIMUM CUMULATIVE LIABILITY OF PFT OR A THIRD PARTY DATA PROVIDER IN CONNECTION WITH THE DATAFEEDS UNDER THIS AGREEMENT, REGARDLESS OF THE FORM OF ACTION, EXCEED THE FEES PAID BY YOU TO PFT FOR SUCH DATAFEED DURING THE SIX (6) MONTH PERIOD IMMEDIATELY PRIOR TO THE DATE THE CAUSE OF ACTION FIRST OCCURRED.

7.2 **Termination of Datafeeds.** You acknowledge and agree that PFT’s rights to distribute, and your rights to access, a particular Datafeed depend PFT’s license with the applicable Third Party Data Provider. Access to a Datafeed is subject to suspension or termination (as applicable) if: (i) PFT’s license to grant you access to such Datafeed is suspended, terminates or expires, (ii) PFT has reason to suspect your noncompliance with this Agreement or the applicable Datafeed’s Data Policy, or (iii) a Third Party Data Provider provides direction to PFT to suspend or cease distribution of a Datafeed for any reason. Any such termination shall be without liability for any damage, loss, or expenses of any kind that you incur or suffer arising from or incident to any such termination.

7.3 **Additional Terms.** Additional disclosures, obligations and disclaimers pertaining to specific Third Party Data Providers will be provided to you as applicable or can be found on the Website.

8 TERMINATION

8.1 **Termination.** PFT may terminate this Agreement and your access to the System at any time, for cause or for no cause, with or without written (including electronic) notice. You may terminate this Agreement at any time by discontinuing your use of the System and deleting or destroying all copies of software or other components of the System provided hereunder that are on your Access Systems.

8.2 **Your Responsibilities Upon Termination.** Upon termination or expiration of this Agreement, you shall cease using the System and promptly delete or destroy all copies of software or other components of the System provided hereunder that are on your Access Systems. You shall also return all documentation and all related materials to PFT (or destroy all copies thereof) within fourteen (14) days following the date of termination.

9 LIMITATION OF LIABILITY

9.1 EXCEPT FOR PFT'S INDEMNIFICATION OBLIGATIONS IN SECTION 10.2, IN NO EVENT WILL PFT OR ANY PFT PARTIES BE LIABLE FOR ANY DIRECT, INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES ARISING OUT OF THE USE OF OR INABILITY TO USE THE SYSTEM, INCLUDING, WITHOUT LIMITATION, DAMAGES FOR LOSS OF GOODWILL, LOSS OF PROFITS, WORK STOPPAGE, COMPUTER FAILURE OR MALFUNCTION, OR ANY AND ALL OTHER COMMERCIAL DAMAGES OR LOSSES, EVEN IF ADVISED OF THE POSSIBILITY THEREOF, AND REGARDLESS OF THE LEGAL OR EQUITABLE THEORY (CONTRACT, TORT OR OTHERWISE) UPON WHICH THE CLAIM IS BASED.

FURTHER, PFT AND EACH PFT PARTY SHALL HAVE NO LIABILITY WHATSOEVER TO YOU FOR ANY AND ALL CLAIMS REGARDING THIS AGREEMENT, USE OF OR INABILITY TO USE THE SYSTEM, REGARDLESS OF THE LEGAL OR EQUITABLE THEORY (CONTRACT, TORT OR OTHERWISE) UPON WHICH THE CLAIM IS BASED EXCEPT IN THE EVENT OF PFT' GROSS NEGLIGENCE, FRAUD OR WILLFUL MISCONDUCT. IN JURISDICTIONS WHICH RESTRICT LIMITATION OF LIABILITY PROVISIONS, THE LIABILITY OF PFT AND THE PFT PARTIES WILL BE LIMITED TO THE GREATEST EXTENT PERMITTED BY LAW.

9.2 WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, PFT IS NOT RESPONSIBLE FOR ANY LIABILITY ARISING OUT OF INFORMATION, DATA, CONTENT OR OTHER MATERIAL IMPORTED INTO THE SYSTEM THAT HAS BEEN PROVIDED BY YOU OR A THIRD PARTY, NOR IS PFT RESPONSIBLE FOR ANY LIABILITY ARISING OUT OF ANY INFORMATION, DATA, CONTENT OR OTHER MATERIAL FOUND ON ANY THIRD PARTY WEB SITES TO WHICH THE SYSTEM MIGHT LINK.

10 INDEMNIFICATION

10.1 You. You agree to defend, hold harmless and indemnify PFT and any PFT Party from and against any claim, suit, or proceeding brought by a third party against PFT or any PFT Party to the extent that it is based on a claim arising, directly or indirectly, out of your use of the System (a "Covered Proceeding") except for claims for which PFT has an indemnity obligation in Section 10.2 below, and you shall pay all costs incurred by and damages (including reasonable attorneys' fees and disbursements) awarded against PFT or a PFT Party arising out of such Covered Proceedings. PFT shall reasonably cooperate with you regarding the defense of any Covered Proceedings or threatened Covered Proceedings. PFT reserves the right to assume exclusive defense and control of any matter otherwise subject to indemnification by you. You shall not defend, hold harmless or indemnify PFT for any actions brought against PFT that arise out of the gross negligence, fraud or willful misconduct of PFT.

10.2 PFT. PFT agrees to defend or settle (at PFT' expense and in PFT' sole discretion) any claim, suit or proceeding brought by a third party against you to the extent that it is based on a claim that the System infringes any copyright, patent, registered trademark, or other intellectual property right or constitutes a misappropriation of a trade secret. Such indemnity, however, is specifically exclusive of any such claims which arise or result from (i) your misuse of the System; (ii) alteration of the System by you; (iii) your use of the System in combination with apparatus, hardware, software or services not provided, authorized or furnished by PFT (including any use or combination of the System via the API); and (iv) your use of the System in a manner that violates applicable law or regulation of any governmental authority or self-regulatory agency or authority, this Agreement, the Operating Procedures or in a manner for which the System was neither designed or contemplated. You shall promptly notify PFT in writing of any claim, suit or proceeding that PFT may have obligations with respect to under this Section 10.2. You shall cooperate with PFT at PFT' expense regarding the defense of any suit or threatened suit. PFT shall have full control of any such claim, proceeding or suit and the authority to settle or otherwise dispose of any such suit or threatened suit, and to appeal any adverse judgment which may be entered. PFT shall not be responsible for any compromise or settlement made without its consent. Upon written notice of a claim that the System is infringing a third party's intellectual property rights, PFT may, but is not obligated to (i) modify or replace the System to make it non-infringing; (ii) procure any rights from any third party necessary to offer the System; or (iii) terminate providing the System, in each case in full satisfaction of its obligations pursuant to this Section 10.2. The foregoing states PFT' complete obligation and your sole and exclusive remedy for infringement claims arising under or related to this Agreement.
